Project n° 101256747. Funded by the European Union. Views and opinions expressed are however those of the authors only and do not necessarily reflect those of the European Union or the funding authority. Neither the European Union nor the granting authority can be held responsible for them.

The **DIGIS3 initiative Intelligent, Sustainable, and Cohesive Digitization** is structured as a **Digital Innovation Hub** to facilitate access for businesses and public administrations to the information, services, and facilities they need to successfully undertake their digital transformation processes.

Specifically, we provide the following services:

Training activities

Consulting & prototyping

Search for funding

Partnerships for innovation
